Secondary Secondary School
Percentage : 77.33

ACHIEVEMENTS

- Certificate of Python for Data Science (nptel) 2024
- Certificate of Introduction to jQuery 2024
- C Language Course: AICES 2022
- Khel MahaKumbh : Handball (U-17) 2019

PROJECTS

Task Management/ To Do List

sem - 6

- I have made a responsive To Do List Web application using ASP.NET Core MVC, which will allow the users to manage their task lists better. It made use of CRUD operation with ASP.NET Core Web API and had a very simple Razor views for the user interface.
- Technologies: ASP.NET Core MVC, ASP.NET Core Web API

Iris Species Prediction

sem - 6

- Created an interactive web app for predicting Iris flower species with Python and Streamlit. The app utilizes a machine learning model trained on the Iris data, taking four input : Sepal Length, Sepal Width, Petal Length, and Petal Width. The users can provide these input to get real-time predictions of the flower species—Setosa, Versicolor, or Virginica

Club laminate shopping website

sem - 3

- This website is where laminate could be bought online. All the orders like pending orders or completed order history are visible to the admin. A user can also contact admin through the site, and the admin can reply in the specific user's email.
- Technologies: ReactJS, NodeJS, ExpressJS, MongoDB, CSS

INTEREST/HOBBIES

- Watching Movie
- Playing- Cricket, E-Game
- Traveling

LANGUAGE

- Gujarati (Fluent)
- Hindi (Fluent)
- English (Proficient)
